Honda

Accord

SEi

Sedan

Appearing for a limited engagement.

It's the ultimate Accord. The limited edition Accord SEi. And with it, Honda sets an even higher standard for the sedan.

The interior decor is elegant. Comfortable and spacious. Rich leather. Reclining contoured bucket seats. Front center armrest. And the lumbar adjustment makes for a very supportive driver's seat.

The power-operated, tinted glass moonroof lets you enjoy the light. By day or night. Slide back the glass to enjoy the cool of the night.

For acoustics that will rival any concert hall, have a seat. With the Honda/Bose Music System, exclusively designed for the Accord SEi 4-Door Sedan, every drive becomes an engaging musical experience.

Controls for the power windows are within easy reach of the driver.

The remote volume and station selection controls are located on the steering wheel. Conducting music has never been more convenient. And a cassette storage bin, in the front armrest, accompanies this premium sound system.

Other luxury appointments include air conditioning, power windows, power door locks, power antenna, bronze-tinted glass, center console with beverage holder, and a lockable remote trunk release.

Available in either Charcoal Granite or Tuscany Taupe, the Accord SEi Sedan will

captivate you. The body is well defined. Aerodynamic. Sleek. Designed to move with the wind.

But the sophistication of the Accord SEi Sedan is not just in what you see. It's

also in what you feel.

For refined power, the SEi has a 2.0 liter, 120 hp, SOHC engine with Programmed Fuel Injection. And an available 4-speed automatic transmission.

To stop you with confidence, the Accord SEi Sedan features 4-wheel disc brakes.

Four-wheel double wishbone suspension, with front and rear stabilizer bars, is in a class of its own. The ride is smooth. The handling, responsive.

Also included on the Accord SEi are four-wheel disc brakes with ventilated front rotors, dual-outlet exhaust, body-colored dual power mirrors, specially designed machine-finish 14" alloy wheels and Michelin MXV 195/60 R14 85H tires.

The Accord SEi 4-Door Sedan. A performance that shouldn't be missed.

The Honda/Bose Music System with AM/FM stereo cassette was specially engineered for the Accord SEi 4-Door Sedan interior to produce exceptional sound.

Remote stereo controls for volume and station selection are located on the steering wheel for added driver convenience.
